Head Coach Tim Whittle

Tim Whittle is in his third year as the Macalester College head men's basketball coach. Whittle came to Macalester following a successful assistant coaching stint at national powerhouse Washington University in St. Louis.

Whittle served as the top assistant and recruiting coordinator for the two-time NCAA Division III National Champion Washington University program and in five seasons helped guide the Bears to a 112-30 overall record and three consecutive Final Four appearances. Washington U reached the Final Four in 2007 and won national titles in 2008 and 2009.

"I am anxious to see year three unfold for this team," said Coach Whittle. "They have worked extremely hard to improve in the off-season, and I know it will show on the court. We finally have some experience and as anyone familiar with the MIAC knows, you must have experience to compete in this conference. The seven returners, along with the six new faces, are focused on taking a big step with this program."

Prior to joining the Washington University staff in 2004, Whittle served as an assistant coach for three years at the University of the South in Sewanee, Tenn., where he was also head men's golf coach and assistant cross country coach.

In 1996, after graduating from Washington University with a degree in finance and management, he began a four-year career in the banking business for SunTrust Bank in Atlanta before joining the Florida Marlins of Major League Baseball. As the Manager of Finance, he coordinated efforts to fund a \$400 million ballpark in downtown Miami.

As a player, Whittle was a four-year letter-winner at Washington University, helping the Bears to a 79-27 record and two NCAA playoff appearances including a 1996 Elite Eight. Whittle received a Masters in Education degree in athletic administration in 2008 from William Woods University in Fulton, Mo.

He is married to the former Beth Slaughter of Albany, Ore. They are the proud parents of two-year-old daughter Summer and 7-month-old son Banks.
